DECLARATION UNDER 37 C.F.R. § 1.131

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir/Madam:

I, Mark V.B. Tremallo, declare as follows:

1. I am General Counsel, Vice President and Secretary of Skyworks Solutions, Inc., which is the owner of the above-referenced patent application.

2. I declare that, as detailed in the enclosed Innovation Disclosure, the inventors of the above-referenced patent application conceived the invention of the above-referenced application, as defined by its pending claims, in the United States, on or prior to March 5, 1999.

3. To evidence conception of the invention of the above-referenced application in the United States, attached hereto, please find a copy of the Innovation Disclosure submitted by the inventors of the above-referenced application, which describes the invention of the above-described patent application in Docket No. 99RSS133, entitled "Universal Cell Phone to USB Adapter", which was entered into the Innovation Disclosure Database, on February 12, 1999.

4. I declare that, as evidenced in the Innovation Disclosure and also by filing of the parent of the above-referenced patent application in the USPTO, on May 13, 1999, the invention of the above-referenced application was reduced to practice in the United States using due diligence after conception.

5. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine of imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-referenced patent application or any patent issuing thereon.
